Oliver Nordby Hansen (CV)

AP Graduate In Computer Science

About me

AP Graduate In Computer Science with a love for IT and programming.

I thrive in front of a screen and enjoy being part of a team where we can share knowledge, laugh during lunch breaks, and contribute to a positive and collaborative work environment. I value open dialogue and a good atmosphere.

In my spare time, I regularly work out and code, which helps me stay mentally and physically sharp.

Areas of specialization

• Full Stack

Software knowledge

Visual Studio / Intellij
Github / Git
MySQL / SQLite
MongoDB / Cloudflare
Linux / Windows
